What Is Going On Tonight

the Auditorium.

Moving Pictures at Colonial Theatre.

Kirk Brown Stock Company at Davis Drill of Third Co. C. A. C., C. N. G., at Armory.

This very remarkable story of the ill luch: which is said to follow the possessor of an opal shows a young son who on his marriage day bargains son who on his marriage day bargains of the possessor of an opal shows a young son who on his marriage day bargains of the possessor of an opal shows a young son who on his marriage day bargains of the possessor of an opal shows a young son the houng and the possessor of an opal shows a young son who on his marriage day bargains of the possessor of an opal shows a young son the possessor of an opal shows a young son the possessor of an opal shows a young son the possessor of an opal shows a young son the possessor of an opal shows a young son the possessor of an opal shows a young son the possessor of an opal shows a young son the possessor of an opal shows a young son the possessor of an opal shows a young son to her was fulfilled the loss of their only son to her was fulfilled the loss of the possessor of an opal shows a young son to her was fulfilled the loss of the possessor of an opal shows a young son to he was a three possessor of an opal shows a young son to he was a three possessor of an opal shows a young son to he was a three possessor of an opal shows a young son to he was a three possessor of an opal shows a young son to he was a three possessor of an opal shows a young son to he was a three possessor of an opal shows a young son to he was a three possessor of the possessor

de lively singules, altogether making a good full hour's entertainment. The Exploits of Elaine will be shown again today, also. This fourth episode is entitled "The Frozen Safe," and is full of thrills and daring schemes of the Clutching Fland. Murdock McQuarrie will be on the picture programme to dent here. Fred Renner, a former resident here below in "When It's One of Your Own." a very interesting drama and "The Fat Girl's Romance," a funny comedy will also be shown.

The way to be shown.

Paul's, in which according to one biographer, he displayed "quite as transcendent a talent for that branch of executive skill as he had done at the Philharmonic on the planeforte," During an earlier visit to England, Mendelssohn had stayed at Norwood at that the property of the propert

Forest botanists recognize only one cypress in the United States Its range extends from Delaware southward around the coast into Texas and the Mississippi valley to Illinois and Indiana.

Work has begun in New York city to complete the building of a track for express trains on the Third ave-nue elevated road. This is expected to fivert some travel from the con-

cisco, which sailed October 24, 1914, from the North Basin (Darsera Norte) of the harbor of Buenous Ayres, as far as could be learned, was the first American ship to leave from that point. The North Basin is used almost exclusively for mail and passer ger service.

A Bugler's Limitations.

A story is going the rounds that a certain colonel—evidently not musical —ordered that at church parade th buglers should play "Abide With Me (which may have been his favorite hymn), and was annoyed when the astonished bugler receiving the order protested. "But the bugle has only got five notes, sir!" Though the bugle possesses live notes, with a possible persesses live notes, with a possible two more, most bugle-calls and bugle-marches one hears are confined to the four notes B. C. E. G. on the treble staff—the actual pitch being a tone lower. A wonderful variety in character, however, can be produced by means of different rhythms in the calls. One hears two types of hears have hears have hears hears have hears hears have hears hears hears hears have hears h Auctioneering. Specialty of Farm and of good bargains lett.
